Re: Faith Feeding

During these times we are facing, Maranatha Ministry, Inc. has decided to be organizing a "Faith Feeding". We will be organizing a tent feed at our Food Pantry location.

We are welcoming those families in our communities that may have issues getting food during these times of Covid-19 (Nationwide Health Pandemic Emergency).

We will be having a cook out in our parking lot, hot meal on Friday (depending on our success we will continue to give out hot meals to the communities).

The time frame for serving hot meals will be from 1pm-7pm. It is important for us to follow guidelines set by governmental health authorities; we cannot allow large gatherings due health Covid-19 health concerns.

All fresh hot meals will be packaged for pick only. Our Food Pantry will continue to serve with precaution as per the governmental guidelines and rules imposed on us.

Our Homeless Matters truck will be handing out emergency food recourses over the next few weeks. The Health Department will be assisting us with medical sanitary guidelines and necessities for the volunteers and community.

Our needs are great and we are seeking help in the areas note below.

- Volunteers
- monetary donations for food Volunteers duties will be; delivery of meals to shut-ins and elderly
- setting up, break down and clean-up of tent area
- cooks, and someone handling organization of food deliveries

Please if making checks out earmark on the memo "COVID-19", "Homeless Matters" or "Food Pantry". Doing so will help us allocate for that purpose and insure your giving heart goes to the right place. If anything else is needed please feel free to contact us at phone number noted above or send an email to me Craig my email is "CraigN@maranathamistryinc.org"
