COMMUNITY INVOLVEMENT

Thank you everyone who has given to us, over the last few months. We serve approximately 700 families here in our community. We have partnered with several local organizations and give back into our local neighborhoods. We are reaching out and working with both Chambersburg Area School district, James Buchanan School District and private schools.

We have one goal here with our staff and it is to show our community we care about YOU.

OUR FOUNDING PURPOSE
The heart of Maranatha Ministry is to share the love of Christ with those who are searching for something in their lives. More than just the need for food, budgeting, or housing, people need healing.
We give a hand up not a hand out.
